

Learn. Grow. Explore. Girl Scouts.

Start thinking about expanding her world outside of school! As a Girl Scout Daisy, your kindergartener will try new and exciting things. She'll unleash her imagination, make friends, grow in confidence, and build skills that will help her in and out of the classroom. The best part? You'll get to join the fun right alongside her as she plays, learns, and grows with the help of other caring adult volunteers.

PLEASE tell me more about my daughter joining Girl Scouts!
