Girl Scouts is not on-hold! Whether with her troop in-person, or through virtual troops and virtual Girl Scout activities, Girl Scouts will be there for her this year helping her grow strong, adaptable, and resilient. Make new friends? Discover new passions? She'll do all that and more at Girl Scouts! Whether she's exploring nature and the outdoors, expressing herself through art or music, designing robots or board games, or helping her community through service projects, she'll have a blast as she earns badges in just about anything that piques her interest. Get ready, because she's going to make the world a better place — today and for the next generation!
