Dundee Sportsmen's Club
N3019 State Road 67
Campbellsport, WI 53010

Please note: the course materials and examinations are all written at a sixth (6th) grade reading and comprehension level.

It is MANDATORY to attend all the sessions unless there is a reasonable excuse

Students under 18 years of age must be accompanied by an adult or guardian the first night of class for registration. The parent or guardian must leave the facility after sign in due to Covid 19 restrictions.

All Covid 19 rules and guidelines will be enforced. Students, parents and guardians are asked to bring their own masks to be worn throughout all the classes. Parents will be allowed to attend the first night to register the student only, but will need to leave as soon as registration is completed. We also regret that no guardian can attend any of the classes with the students. We ask the students are dropped off on time and picked up immediately after classes end.

All WI Recreational Safety Students are required to obtain a WI DNR Customer ID Number and will also be required to provide that WI DNR Customer ID Number along with students personal information to the instructor when registering for the class.

You can obtain a WI DNR Customer ID Number 7AM to 10PM by calling the WI DNR Customer Service at 1-888-936-7463, visit a WI DNR Service Center during their regular scheduled hours or by going to <https://gowild.wi.gov/>.

Registration prior to the course is mandatory and can be done online by going to...<https://gowild.wi.gov/>

The class fee is \$10.00 and is payable at first class for all individuals that wish to attend and covers all necessary materials. Students are asked to only bring a notebook and pencil. All other materials and equipment is furnished throughout the course.

Anyone born on or after January 1, 1973 must have completed a hunter education course and show the certificate to purchase any hunting license in Wisconsin. Wisconsin law requires anyone under the age of 16 to be accompanied by a parent or guardian over 18 while hunting or using a firearm for any purpose. However, young people who complete the hunter education course and receive a certificate are eligible to hunt and use firearms without supervision at age 14.

The hunter education course instills in students the knowledge and skill to be a responsible and safe hunter. The basic course consists of 10 lessons. Students learn how hunting accidents are caused and how they can be prevented. Hunter responsibility and safety are stressed throughout the classes.

Hunter education graduates receive a certificate that is accepted in every state, Canadian Province, and Mexico.

Classes will cover hunting topics such as hunting equipment and methods, rules and regulations, hunter ethics and responsibility, first aid and survival, principles of wildlife management and basic firearm knowledge and safety.

The course is taught by Wisconsin DNR Certified Hunter Education Instructors.

Questions regarding the course can be directed to Rick Heisler @ 920-948-5712 or rickheisler@charter.net

Special needs individuals are especially encouraged to attend. Please contact us prior to the start of the class to discuss appropriate accommodations.

We greatly appreciate the support of the Dundee Sportsmen's Club for sponsoring the course. We also are grateful to the Village of Campbellsport for the use of the public library for conducting the classes, Kettle Moraine Sportsman Club, Midwestern Shooters Supply, and Wings over Wisconsin Eden Chapter for their continuous support of the program and concerns for safe hunting practices.

Remember.....SAFE HUNTING IS NO ACCIDENT
