

GET EXCITED, FAMILIES!

Mark your calendar! Our American Heart Association's **Kids Heart Challenge (Hoops for Heart)** event will begin Wednesday, October 28! Our goal is to have 100% of our students registered online.

The class that raises the most donations will win the Classroom Challenge! You can help your class win the Classroom Challenge and throw a pie in Mr. Smyczek's face! In November we will be holding a Coin War again (Nov. 9th-13th), and the total positive change amount will be added to the class total donation amount.

Here's how you can help:

Take the challenge and register: <http://www2.heart.org/goto/soth>

The class with the MOST students registered online will win our first challenge, and have a great advantage in raising donations! Let's encourage our students to have healthy and kind hearts together!

Next Steps:

1. Go online or download the app
2. Register and take a challenge
3. Send 10 emails

The donation envelopes for cash and check donations will come home with your student next week. You are welcome to use the online donation option or the paper envelopes if you choose to collect donations.

Our school goal is \$2,000, please stay tuned for more fun details!
Thank you for supporting this program!
